

For over 30 years, Jet Support Services, Inc. (JSSI), has been the leading independent provider of maintenance programs to the business aviation industry. We cover virtually all makes of business aircraft, engines and auxiliary power units (APUs).

We offer the most comprehensive, flexible and affordable financial programs and tools available to manage the often unpredictable costs of operating and maintaining nearly all types of turbine-powered aircraft. From business and commercial jets to turboprops and helicopters, we have your complete maintenance needs covered.

## OVERVIEW OF COVERAGE

JSSI post-purchase unscheduled maintenance program, offered through Jetcraft.

### UNSCHEDULED AIRFRAME COVERAGE

- Unscheduled airframe maintenance events
- Unscheduled failures of airframe components
- Labor for unscheduled repairs
- Priority shipping for AOG events
- Brakes and tires (optional)
- Unscheduled maintenance for avionics and cabin equipment (optional)

### UNSCHEDULED ENGINE COVERAGE (OPTIONAL ADD-ON)

- Unscheduled engine maintenance events
- Unscheduled failures of engine accessories and line replaceable units (LRUs)
- Repair and replacement of life-limited components (LLCs) in connection with unscheduled failure engine removal and replacement (R&R)
- Labor for covered events
- Rental engine costs during covered repairs

### UNSCHEDULED APU COVERAGE

- Unscheduled maintenance
- Rental APU costs

### GENERAL COVERAGE

- Technical oversight during major shop visits
- Troubleshooting labor allowance
- 24/7 worldwide maintenance support

*All enrollments are subject to JSSI and Jetcraft approval. Some exclusions apply. Avionics coverage cannot be selected without airframe coverage; APU coverage cannot be selected without airframe or engine coverage.*
